

SYIFA NUR NABILA

Tangerang Regency, Banten | [0896-6822-2474](tel:0896-6822-2474) | syifanurnabila.contact@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFILE

6th-semester Informatics student with a strong background in Data Analytics, Reporting, and Machine Learning. Experienced in working with data through processing, analysis, and visualization using Python, SQL, and statistical methods. Able to turn raw data into clear and useful insights through cleaning, interpretation, and reporting. Known for strong analytical thinking, attention to detail, and teamwork. Eager to contribute analytical and data-driven insights in Data Analyst, Data Science, or related roles. Have hands-on experience in data visualization and reporting using Excel (Pivot Table, VLOOKUP) and basic Power BI for creating interactive dashboards.

EDUCATION

Universitas Pembangunan Jaya | Bachelor of Informatics (August 2023 - Present)

- **GPA (Semester 5):** 3.71 / 4.00
- **Recipient of Full Scholarship OSC Medcom (Online Scholarship Competition) for Academic Achievement**
- **Awards & Achievements:**
 - Gold Medal, History Olympiad (1st Place National, Academic Science Olympiad Hari Pancasila, 2025)
 - Gold Medal, Indonesian Language Olympiad (2nd Place National, Academic Science Olympiad Hari Pancasila, 2025)
 - Gold Medal, Mathematics Olympiad (3rd Place National, Academic Science Olympiad Hari Pancasila, 2025)
 - 1st Place, UI/UX Design Competition (Gidhub Competition, National Level, 2024)

SKILLS & LANGUAGES

- **Languages:** Indonesian (Native), English (Intermediate)
- **Programming & Scripting:** Python, SQL, JavaScript, HTML, CSS, PHP, C++
- **Data & Analytics:** Data Cleaning, Exploratory Data Analysis (EDA), Data Visualization (Matplotlib, Seaborn), Data Interpretation, Feature Engineering, Basic Statistics, Pandas, Kaggle
- **Tools & Version Control:** Excel, Git, GitHub, Google Colab, VS Code, JASP, Canva, Figma
- **Database:** MySQL
- **Web Development:** HTML, CSS, JavaScript, Bootstrap
- **Machine Learning & AI:** Scikit-Learn, TensorFlow, Keras, Logistic Regression, ANN, CNN, NLP
- **AI Tools & APIs:** OpenAI API (GPT), Google Gemini API, Prompt Engineering
- **Soft Skills:** Leadership, Communication, Problem Solving, Time Management, Detail-Oriented, Adaptability, Integrity

CERTIFICATIONS

- Microsoft Python Development (Microsoft Professional Certificate)
- Introduction to Deep Learning for Computer Vision (MathWorks)
- IBM DevOps and Software Engineering (IBM) Professional Certificate
- Introduction To Database (Meta)
- Applied Natural Language Processing (UPJ)
- IBM Generative AI for Business Intelligence (BI) Analysts (IBM & SkillUp EdTech Professional Certificate)
- 50+ additional professional certificates available upon request

PROJECTS

Social Media Hoax Detection on YouTube Using NLP, TF-IDF, and Logistic Regression

- Developed a text classification model using Python (Scikit-Learn) with TF-IDF feature extraction
- Performed preprocessing (cleaning, tokenization, stopword removal) and evaluated model performance using accuracy and classification metrics

- **Tools:** Python, Pandas, Scikit-Learn

Diabetes Risk Prediction Using Deep Learning with Artificial Neural Network (ANN)

- Developed an Artificial Neural Network (ANN) model using TensorFlow/Keras for prediction tasks
- Conducted data preprocessing, feature engineering, and model evaluation (accuracy & loss)
- **Tools:** Python, Pandas, TensorFlow, Keras

Impact of Technology Utilization on Critical Thinking Skills of Non-IT Students at Universitas Pembangunan Jaya (Class of 2023) Using Descriptive Quantitative Method

- Processed and analyzed survey data using descriptive quantitative methods
- Presented insights through tables, data visualizations, and analytical interpretations
- **Tools:** Python, Pandas, JASP

Jaya Future – Scholarship & Internship Information Website

- Developed a responsive website using HTML, CSS, and JavaScript
- Designed system flow and UI/UX using Figma to enhance user experience

WORK EXPERIENCE

PT. Mitsuba Indonesia | Visual Quality Inspector (February 2023 - August 2023)

- Ensured product quality through detailed inspection and data recording

PT. Paragon Technology and Innovation | Production Operator (August 2022 - December 2022)

- Operated inkjet machines and packaged cosmetic products according to production standards

PT. Unchu Multi Indonesia | Property Marketing Staff (April 2022 - August 2022)

- Created digital content, developed storytelling, and followed up with prospects to achieve sales targets

PT Respati Kemasindah | HRD Assistant – Internship (January 2021 - March 2021)

- Supported HR administration, coordinated team activities, and assisted recruitment processes efficiently

ORGANIZATIONAL EXPERIENCE

Ikatan Mahasiswa Beasiswa UPJ (IMABESWA) | Head of Optimism Division (January 2025 – January 2026)

- Led self-development programs and cross-division collaborations for 100+ students

Welcoming & Sharing Session Scholarship Students 2025 | Master of Ceremony (MC) (October 3, 2025)

- Hosted the annual IMABESWA event with smooth flow and high participant engagement

Career Mentoring BKAL x IMABESWA UPJ | Chief Organizer (May 20, 2025)

- Led a mentoring program for 50+ students with team and speaker coordination

NAWASENA 2024 – Universitas Pembangunan Jaya | Event Division (April 16, 2025)

- Prepared technical rundown and coordinated between internal teams and stakeholders

Himpunan Mahasiswa Informatika – Universitas Pembangunan Jaya | Secretary (August 2024 – January 2025)

- Prepared proposals, minutes, official letters, reports, and managed internal communication

Panitia Acara Sumpah Pemuda – Universitas Pembangunan Jaya | Secretary (October 2024 – November 2024)

- Managed documentation, communication, and archives for smooth activity operations

FORCAST Podcast – Program Studi Informatika | Secretary (September 2024 – February 2025)

- Managed documentation, briefing schedules, internal communication, and activity archives

Informatics Laboratory – Universitas Pembangunan Jaya | Laboratory Assistant (January 2024 - September 2024)

- Assisted lecturers, prepared lab equipment, and supervised student programming practice

Nadasamsara Performance Group | Vocalist (August 2023 – August 2024)

- Performed vocals at campus events and supported creative team collaboration

VOLUNTEER EXPERIENCE

International Women’s Day Seminar | Content Creator (March 4 – 8, 2025)

- Designed educational content and visuals for women’s digital empowerment
